Regi hoopster earns national all-star berth

Regiopolis-Notre Dame Panthers basketball star Jory McDonald will play in the All Canada Classic high school all-star game on Tuesday at the Air Canada Centre in Toronto.

A selection committee came up with 20 boys and girls players from across the country to make up the rosters.

The 6-foot-1 McDonald will play on the East team in the girls game, which starts at 4 p.m.

McDonald graduates from Regi this month. She'll play university basketball next season for the Western Mustangs, along with fellow Kingston native Lacey Knox, who is entering her second year at the London school.

The All Canada Classic, which also includes a slam dunk competition, has been the final high school game in Canada for players like former NBA draft pick Denham Brown and likely 2011 first-rounder Tristan Thompson in previous years.

The Regiopolis-Notre Dame graduate played college football for Napanee-raised head coach Leroy Blugh at Bishop's University. Last year with the Gaiters, Maveety made 20 of 28 field goals and received two Quebec University Football League special teams player of the week awards.

The Ticats, who have two American kickers on their roster, host the Montreal Alouettes in the final pre-season game for both teams on Wednesday night.

On Saturday, Kingston was awarded a 3-0 default win when the host Scarboro Azzurri had only six players show up.

Kingston hosts Peterborough City at 5 p.m. on Saturday at W.J. Henderson Field in Amherstview and then faces the Richmond Hill Raiders on Sunday at 2 p.m. at the same field. Kingston's regular field, St. Lawrence College, is being used for a provincial touch football tournament this weekend.

Meanwhile, Limestone City hosts the Unionville Eagle Strikers and Pickering Power Gold on Saturday and Sunday at Ernestown Secondary School. Both Central Region (East) games start at 1 p.m.
